

## MORE THAN JUST CLEAN: WINTER FLOOR CARE PROGRAM

SAFER FACILITIES | REDUCED MAINTENANCE COSTS | EFFECTIVE RESULTS

**Swish** **WHITE RIVER** LTD.  
VALUE QUALITY SERVICE

## INSTANT ICE MELT CONTROL

Swish Ice-Rid + and Clean & Green™ Ice Melters feature intense de-icing properties and contain a temperature melting action ingredient that enables both products to instantly attack ice and snow. Used to aid in reducing the risk of winter slips and falls on icy surfaces. Facilities base their choice of use on the melt temperature that is required.

### SWISH CLEAN & GREEN™

- Safer for vegetation\*
- Melts to -11° F (-24° C)
- FS2000 coats every particle to start melting in seconds at lower temperatures
- Visible green marker reduces waste and environmental impact
- Corrosion inhibitor reduces metal fatigue\*

\* When used as directed

### SWISH ICE RID+

- Melts down to -25° F (-32° C)
- Initiates brine immediately\*
- FS2000 coats every particle to start melting in seconds at lower temperatures
- Distinctive colour is easy to see, reducing waste from over application

## 2 STEP, 15' ENTRANCE MATTING DIRT REDUCTION SYSTEM

Just 15' of matting inside an entrance will trap 80% of dirt and moisture from the first 5 or 6 footsteps.\* An effective, high performance 2 step matting system traps and holds dirt, protects floors from permanent damage, creates a safe healthy environment and helps reduce your maintenance costs.

\*Carpet and Rug Institute

### ① SCRAPER - AGGRESSIVELY REMOVES WATER, SNOW AND SAND

#### SAFETY SCRAPER MAT

- Molded grip-surface effectively scrapes tough dirt and grime off shoes and provides excellent anti-slip surface
- Earth-friendly with 20% recycled rubber content

### ② WIPER/SCRAPER - DEFENSE AGAINST DIRT AND MOISTURE

#### WATERHOG CLASSIC WIPER/SCRAPER MAT

- Unique "Water Dam" allows the Waterhog mat to hold up to 1 1/2 gallons of water per square yard, water and dirt stay on the mat
- Anti-Static
- 3/8" thick bi-level surface effectively removes and stores dirt and moisture beneath shoe level between cleanings

#### WATERHOG CLASSIC TILE WIPER/SCRAPER MAT

- Offers the same outstanding cleaning performance and benefits as the Waterhog Classic mat
- 18" x 18" tiles, 1/4" or 7/16" pile height
- Designed to be installed in high-traffic areas such as entrances, recessed mat wells, lobbies, vestibules and elevators

## EFFECTIVE WINTER FLOOR CLEANING

Enviro-Solutions® Haze Away, Swish® Winterinse™ and Swish Clean & Green™ Winter Wash winter floor cleaners remove the white powdery residue that salt and deicers can leave behind. Designed to de-mineralize salt deposits, reduce the risk of slip hazards and make floor finish last longer these products can also be used as part of regular winter carpet care program.

### ENVIRO-SOLUTIONS® HAZE AWAY

- UL approved for slip resistance and best value floor cleaner
- Biodegradable, ECOLOGO® certified
- Removes the film not the shine
- Use on all resilient, stone floors and carpets

### SWISH CLEAN & GREEN™ WINTER WASH

- Concentrated for a better value floor cleaner
- Biodegradable, ECOLOGO® certified
- Demineralizes salt deposits to revitalize your floors
- Exceptional carpet extraction cleaner to remove white salt deposits

### SWISH® WINTERINSE™

- Restore beauty to floors for a good value
- Demineralizes salt deposits
- No rinsing is required and safe to use
- Excellent for use on any hard floors or carpeted areas

## CLEAN AND DRY FLOORS

Wet/dry vacuums keep entrances dry and aid in reducing the risk of slip and fall accidents, unnecessary tracking of water, sand and salt in your facility and reduce foul odours. Noise level ranges from 72 dB(A) allowing the user to vacuum wet entrances throughout the work day.

Walk-behind scrubbers are an excellent solution if you are looking to automate daily scrubbing and removal of floor finish. Windsor Karcher scrubbers feature easy-to-clean, hygienic recovery tanks allowing the user to easily rinse out and prevent foul odours, bacteria and rust.

### WALK-BEHIND SCRUBBERS

- Effectively clean and restore floors, consistently and reliably
- Designed to be intuitive and easy-to-use for consistent results and increased productivity.

### WET/DRY VACUUMS

- Feature a 1380-watt motor that provides 80" of lift and 142 cfm of airflow for excellent recovery wet or dry
- On-board accessory holder and cord hook.
